### **I. ASSESSMENT PROGRAM COMPONENTS**

*Instructions: Please review the following and make changes as needed.*

#### **A. Learning Objectives**

1. Ability to speak Spanish in a way understandable to native speakers in everyday situations and routine work requirements
2. Ability to understand the main ideas of spoken Spanish in a standard dialect in everyday situations
3. Ability to read with almost complete comprehension Spanish texts encountered in everyday situations as well as a variety of literary texts

#### **B. Measurements**

Near the end of the quarter before the student plans to graduate, the student shall give an oral presentation ("recital"), lasting approximately 5 minutes, entirely in Spanish, on a topic of the student's choice, approved beforehand by Dr. Sen and/or Dr. Kempen. The faculty members of the Department as well as other presenting students form the audience. After the presentation, audience members possessing sufficient skills in Spanish will ask general questions of the presenter. Following the presentation and question/answer session, the student's performance will be evaluated with Pass, High Pass, Pass with Distinction, or No Pass.

Criteria for performance are 1) ability in Spanish at least at a High Intermediate level (as put forward by the ACTFL), 2) content of reasonable interest and sufficient complexity to demonstrate the student's skills, and 3) comprehension and reasonably coherent responses to questions.

Near the end of the quarter before the student plans to graduate, the student shall submit a writing sample, such as an essay or report turned in for a recent class. Members of the department faculty with sufficient knowledge of Spanish will evaluate the sample and rate it as Pass, High Pass, Pass with Distinction, or No Pass. Criteria are 1) ability to write coherently in French with a minimum of errors, and 2) content of reasonable interest and sufficient complexity to demonstrate the student's skills.
