

**SUPERIOR DENTAL CARE, INC.**  
The Preferred Plan – Open Access Option

Superior Dental Care (SDC) contracts with dentists throughout our service area (Ohio, Kentucky, Indiana, Michigan and West Virginia) to provide dental services to our members. Normally our members seek care from one of our Preferred Plan participating dentists to receive benefits, however, your plan includes **open access**, which means that you may seek care from a non-participating dentist as well. If you see a participating dentist, you are protected from balance billing (any amount over your copayment and SDC's reimbursement).

If you choose to see a non-participating dentist, please review the following:

- **You or the dental office will complete the dentist's standard claim form** for services rendered. Send the form to: Superior Dental Care, 6683 Centerville Business Parkway, Centerville, OH 45459.
- **Payment for eligible dental services will be sent directly to you.** You will then be responsible for forwarding SDC's payment, and for any balance, to the dental office. Lack of prompt payment to your dentist could result in a loss of coverage.

We encourage you to seek care from a participating dentist. To get the most recent listing of our participating dentists, please visit our website at [superiordental.com](http://superiordental.com), or you may ask your employer for a printed copy.

Please feel free to call us if you have any questions. Your family dentist may call us to confirm eligibility, coverage, etc., toll free at (800) 762-3159.
